YOSEMITE CHALLENGE

WE HIKE SUMMITS ... FOR KIDS

September 11-15
Yosemite National Park

If your heart is broken for children and you want to make life better for them, join *Americas Children* in our 41st year of helping kids. Hike with us on one or more hikes (easy to difficult) in one of the planet's most beautiful places. Changing the world for innocent children only requires 2 feet and a caring heart. Do you qualify? Get in here!

americaschildren.org

It all started in 1976 with the Tortilla Marathon. 20 passionate (some might say, insane) people walked 200 miles from Santa Barbara to Mexico in 12 days to raise money to feed kids. Over 13 Marathons, 1,000 walkers raised a half million dollars to feed thousands of desperately hungry children. Today, we hike mountains, not highways.
